BELONGING

What does it mean to belong?

It means to be a part of this school

and a part of everything that happens.

It means being a part of YOUR class. Perhaps a class of established friendships, shared experiences, and great class pride. Or perhaps a new class still getting started, and having a lot to learn.

Belonging is being as noisy as
the rest of the crowd.

It means working for hours
because you love the thing
you are doing.

Its knowing that there is a
place in school just for you.

Belonging means going to the "same old school" day after day, but liking it anyway.

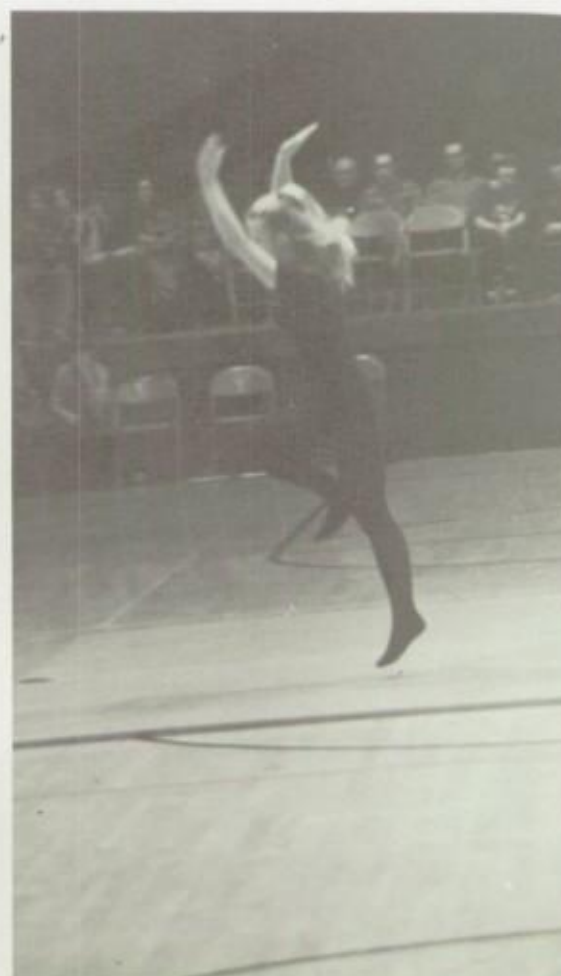

Its taking an interest in something, and not letting that interest fade.

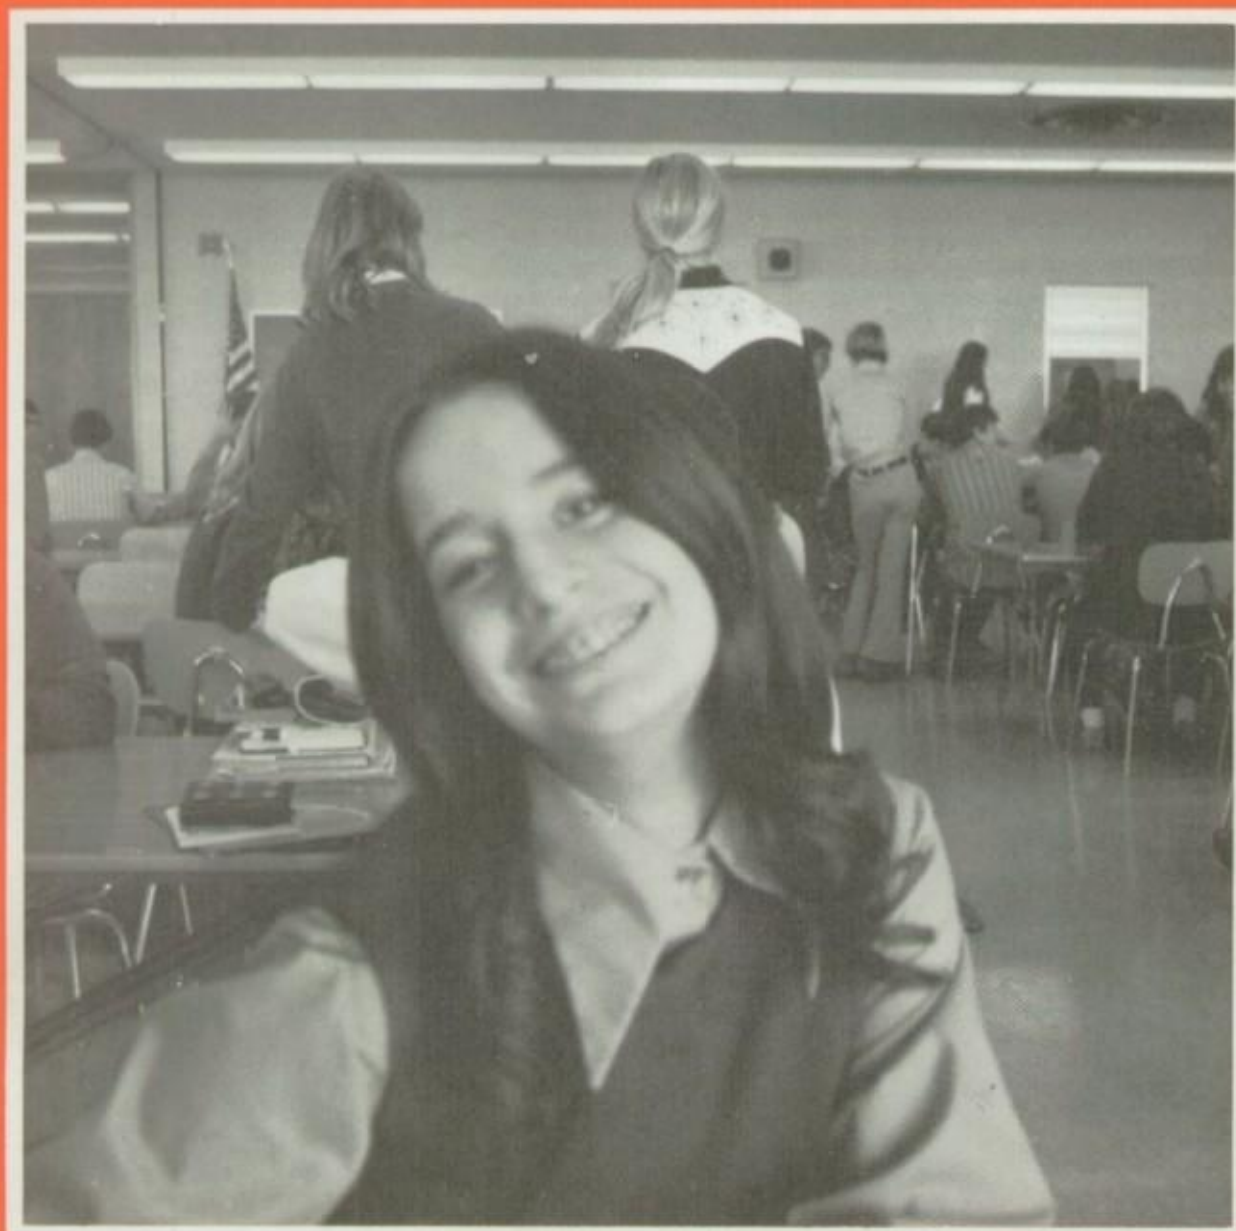

It is the two of you together.

It means being an individual, and yet being a part of the whole.

The Seniors repainted the rock many times in four years.

That Senior Class Is . . .

A lot of people spend a lot of time trying to figure out what we are, what we could have been, and what we should have been. We know we fall short of most of their expectations, but somehow it does not bother us. We try to look at the positive side. Members of our class are courageous, imaginative, fun-loving people. Whether that is good or bad makes no difference because these are the things that are important to us now.

CLASS OFFICERS: Debby Griep, Secretary; Faye Fechhelm, Vice-President; Richele Dethardt, Treasurer; Perry Bell, President.

Pizza Sale Raises Money for Prom

On November 3, 4, 5, and 6, the junior class held a pizza sale in order to raise money for their junior prom. The sale lacked support and cooperation, as very few students helped. After running out of meat once, cheese once, and sauce three times, the juniors managed to make the 3,000 pizzas in the first two days, baked them in the cafeteria, and delivered orders in the last two days. Although small in number, the energetic group suffered the cold weather and went door to door to Mayville and nearby towns, selling the remaining pizzas within a month. Under the patient supervision of Mr. Klopfer, the pizza sale turned out to be very profitable as the class of 1973 made about \$1,000.

Sophs Raise Money for Class Rings

Those Sophomores who needed extra money to purchase class rings had the opportunity to raise this money by selling magazines. Members of the class sold magazines subscriptions, receiving \$10 off on their class rings for each ten magazines sold. STUDENT LIFE

Homecoming Undergoes Changes

Taking a lesson from Prom and from last year's Homecoming, the seniors decided to make some changes in the traditional form of Homecoming. The changes were voted on at a class meeting. It was decided to abolish the court and to have a rock dance at the pavilion instead of the traditional closed dance at the high school. Everything else was to be left the same.

For weeks the seniors collected boxes for the bonfire, and on the day of the bonfire almost the entire class left their 8th hour classes in order to help assemble it.

There was little participation in the weeks activities. However, the students showed their spirit at the pep rally and the bonfire. The junior class won both the pep skit and the float competitions. Because there was no court to ride in the parade, the entire varsity football team rode in cars and the majority of the seniors rode on a hay wagon. All in all the homecoming festivities fulfilled everyone's expectations especially with the winning of the game and the success of the dance.

The week was capped by the success of the football team.

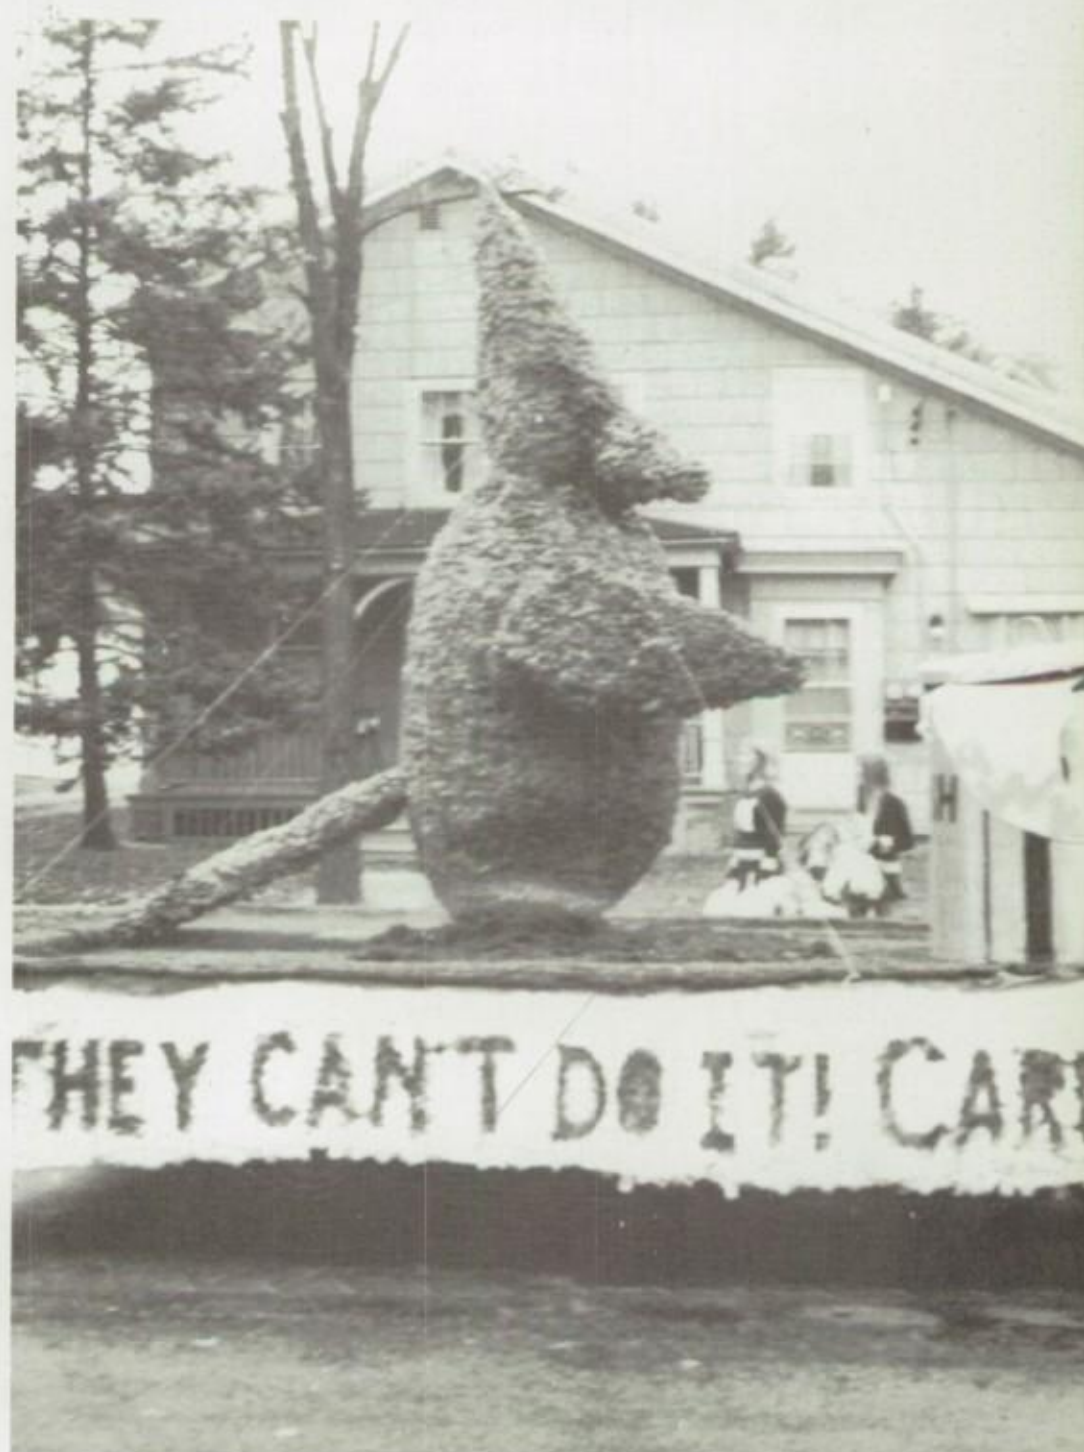

As part of the parade the members of the varsity team rode in convertibles.

Few people dressed up for homecoming week but those who did had very unique ideas.

BELOW CENTER: The band provided the fans with an excellent half-time performance.

BELOW RIGHT: The Juniors won the float competition, but this float by the freshman class showed equal effort.

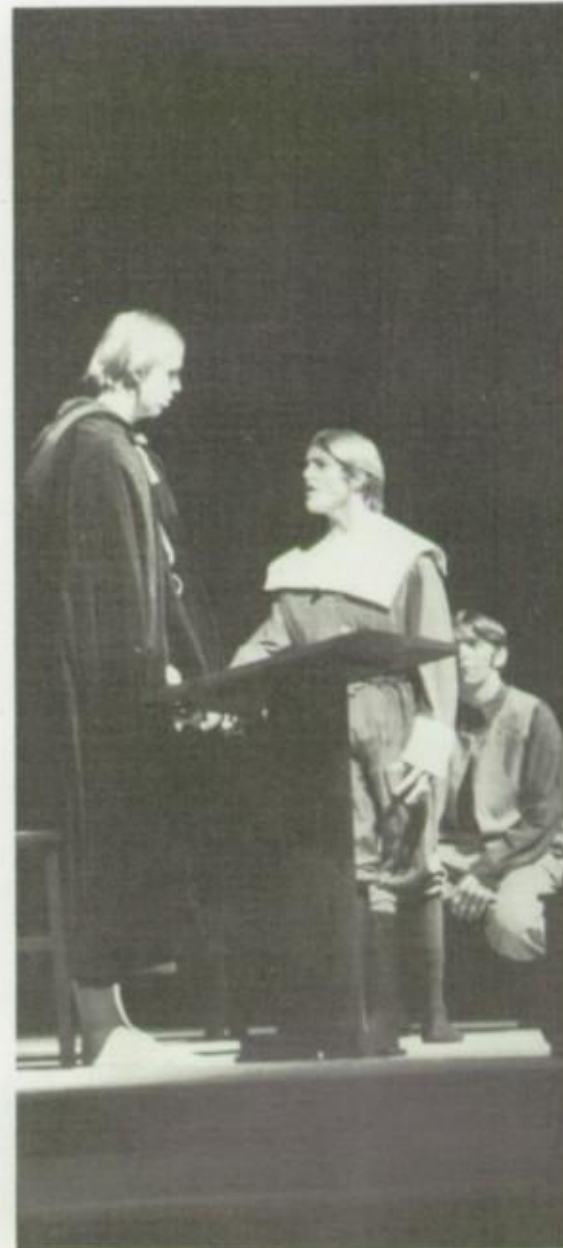

Witch Trials on Stage

Mr. Bullis created a superb production of Arthur Miller's "The Crucible." The students at first thought that the audience would not react to another drama - that a comedy would be better. However, the play was well received.

The Salem witch trials at the end of the 17th century were the time and setting of the play. The opening exposition seemed to be clouded and hard to understand, but once underway, the hysteria the young Salem girls created became clear.

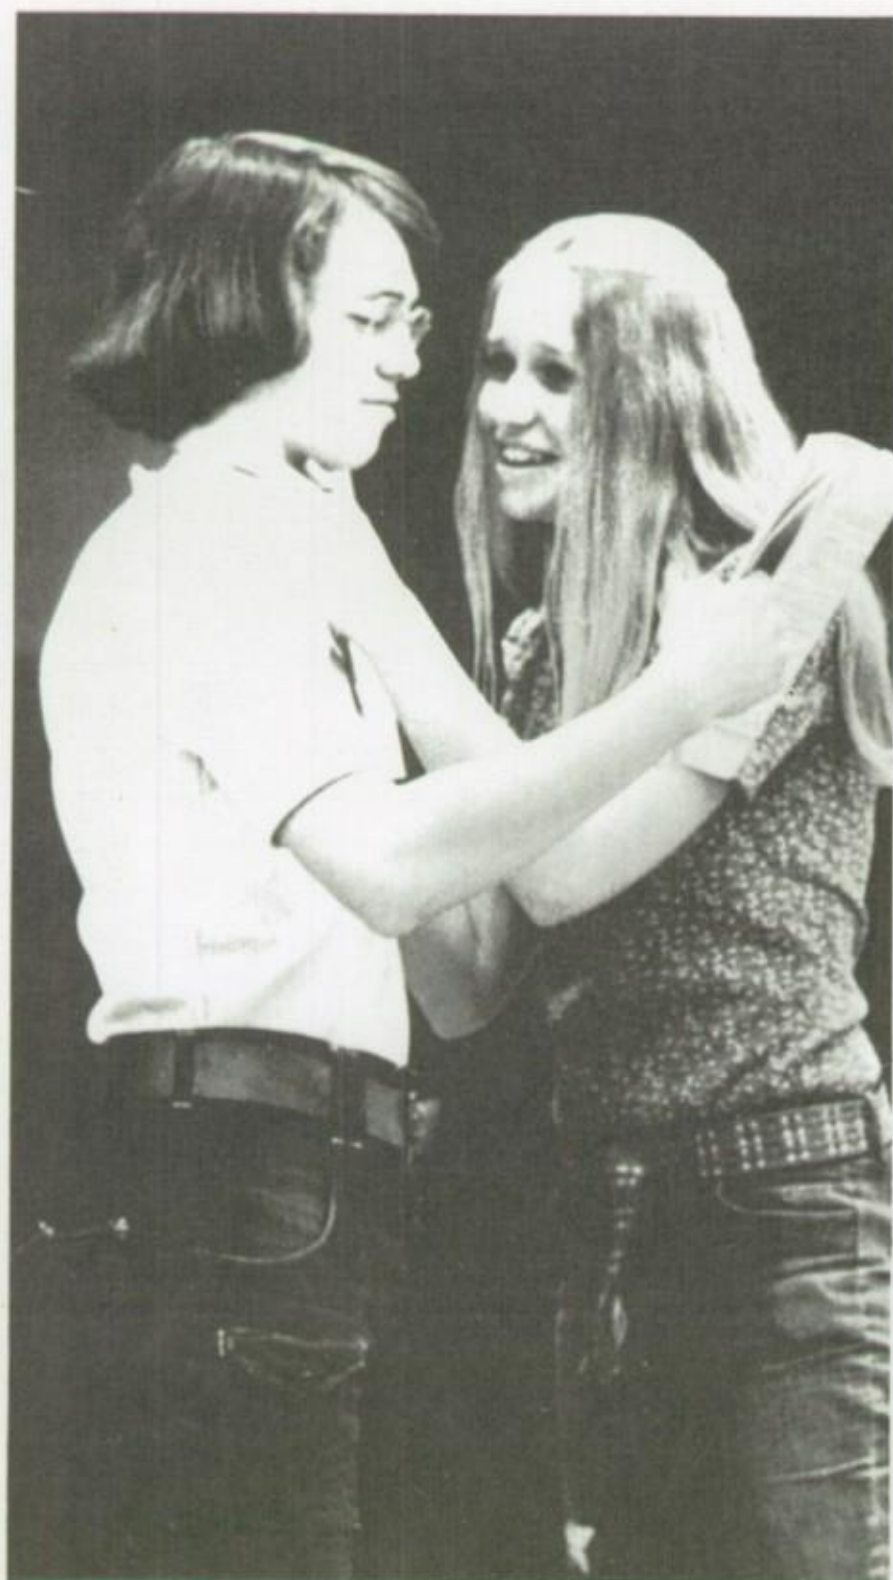

The climax was strong and gave an interesting ending the a fine production.

Love entanglements are the central theme in this year's musical, "Carousel." It is the story of character contrasts between the couples of Billy Bigelow and Julie Jordan and Carrie Pipperidge and Enock Snow. The setting is New England in the late 1800s. As tragedy befalls the Bigelow family, Billy, with the help of a heavenly friend, returns for a day to enlighten his wife and daughter.

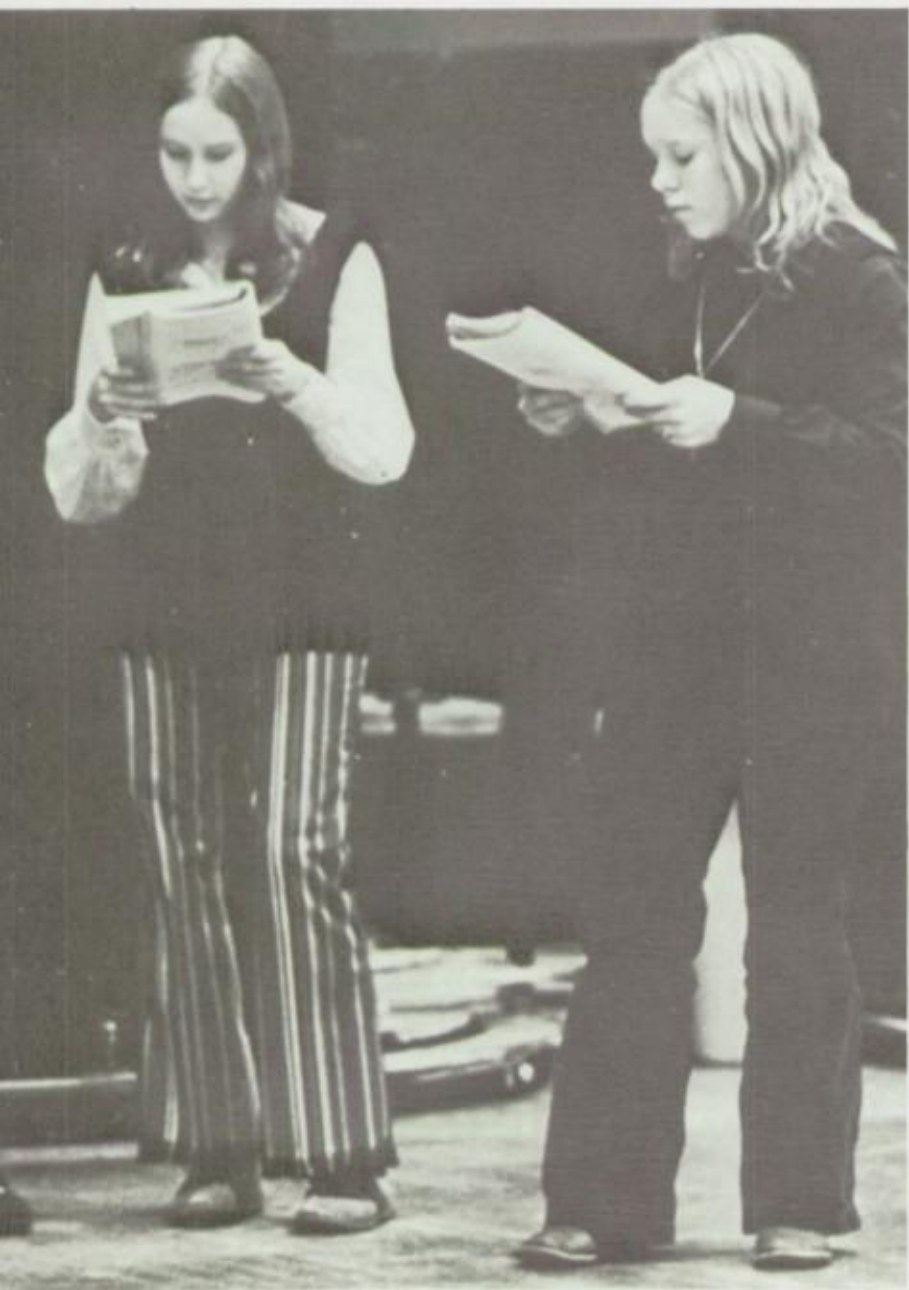

Mr. Cook's first production at Mayville High has proven to be a fine performance. The cast was selected from the entire student body with the exception of the singing parts which went to the students in chorus or glee clubs.

A spring atmosphere set the mood for the '71 Prom

Lois Ruhland escorted by Terry Grabow.

'71 Prom: Tradition Versus Opinion

"A Place for Us" was the theme of the 1971 Junior Prom. Forty-eight couples attended the finely decorated school gymnasium and later enjoyed the music of a rock and roll band at the local golf club.

Although the decoration committee was composed of a rather small group, they did the work of twice their number. Their efforts were commendable.

Tradition, may have, once again, suffered another blow. Many of the students of the Class of 1972 seemed disinterested in a formal prom. They should not be degraded for this. Everyone is entitled to their own opinions and perhaps theirs were just. The opinions of the class took nothing away from those who did attend and who had a very enjoyable evening. The 1971 prom, though lacking in its usual support was not in any means a failure.

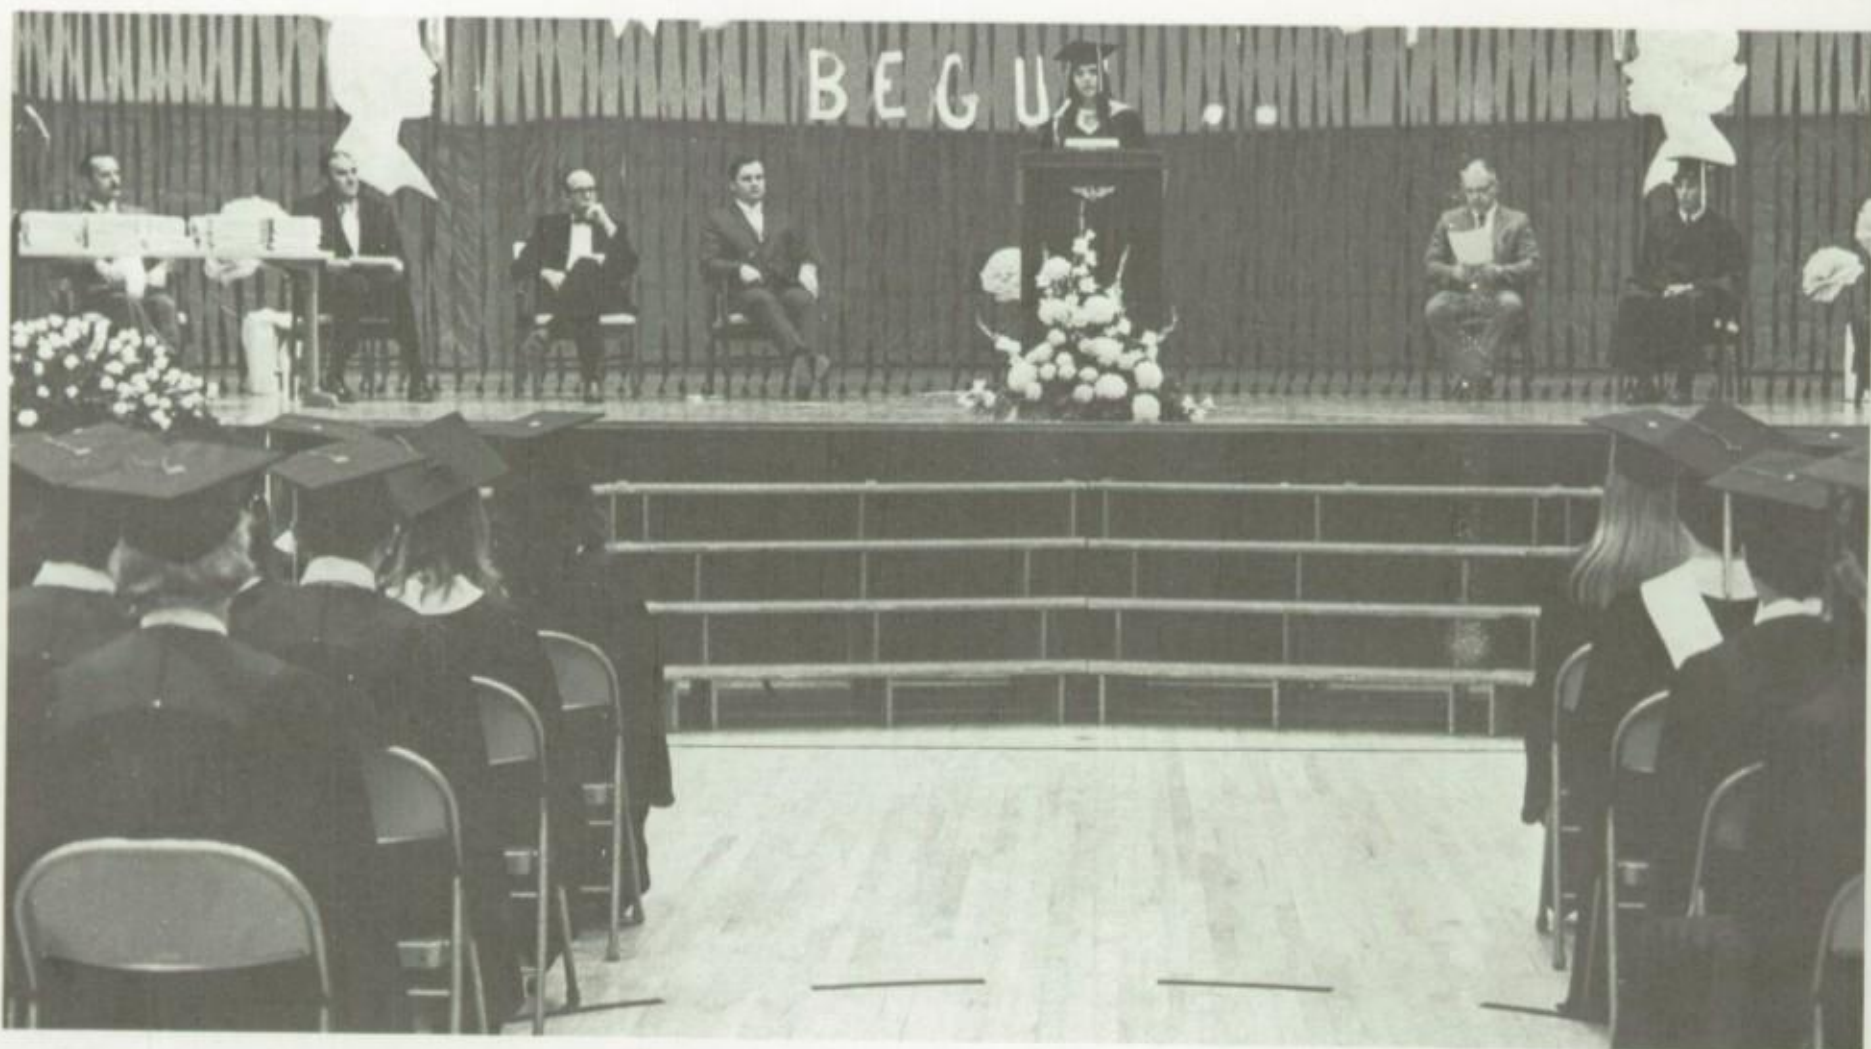

The community should look at all angles of such an affair without unjust criticism of the sponsoring class and its opinions.

Putting the last touches on.

"I crown you Queen of the 1971 Junior Prom."

Valedictorian Gloria Weiss gives her address on the motto which is behind her.

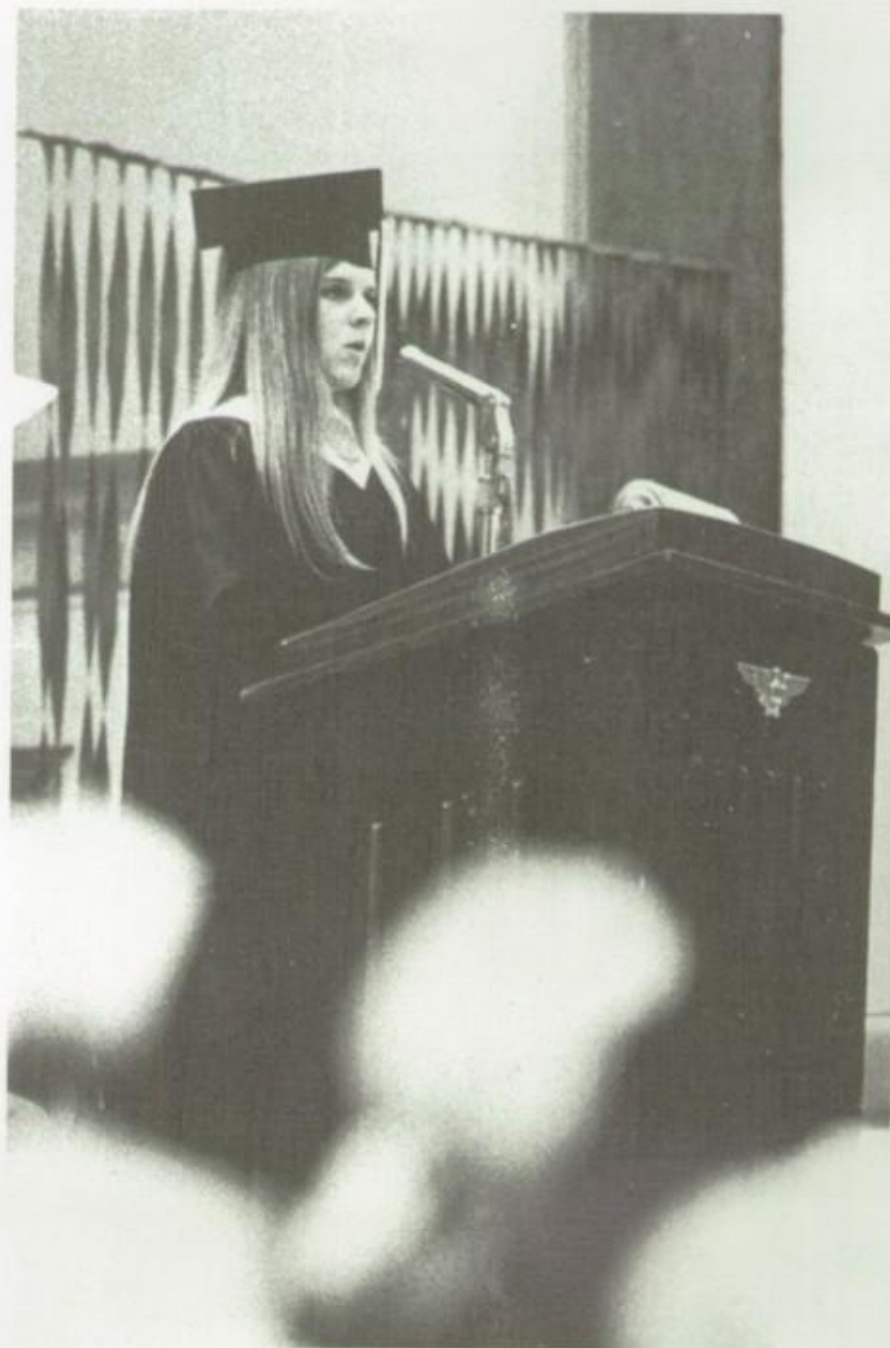

Brenda Fischer also gave a speech.

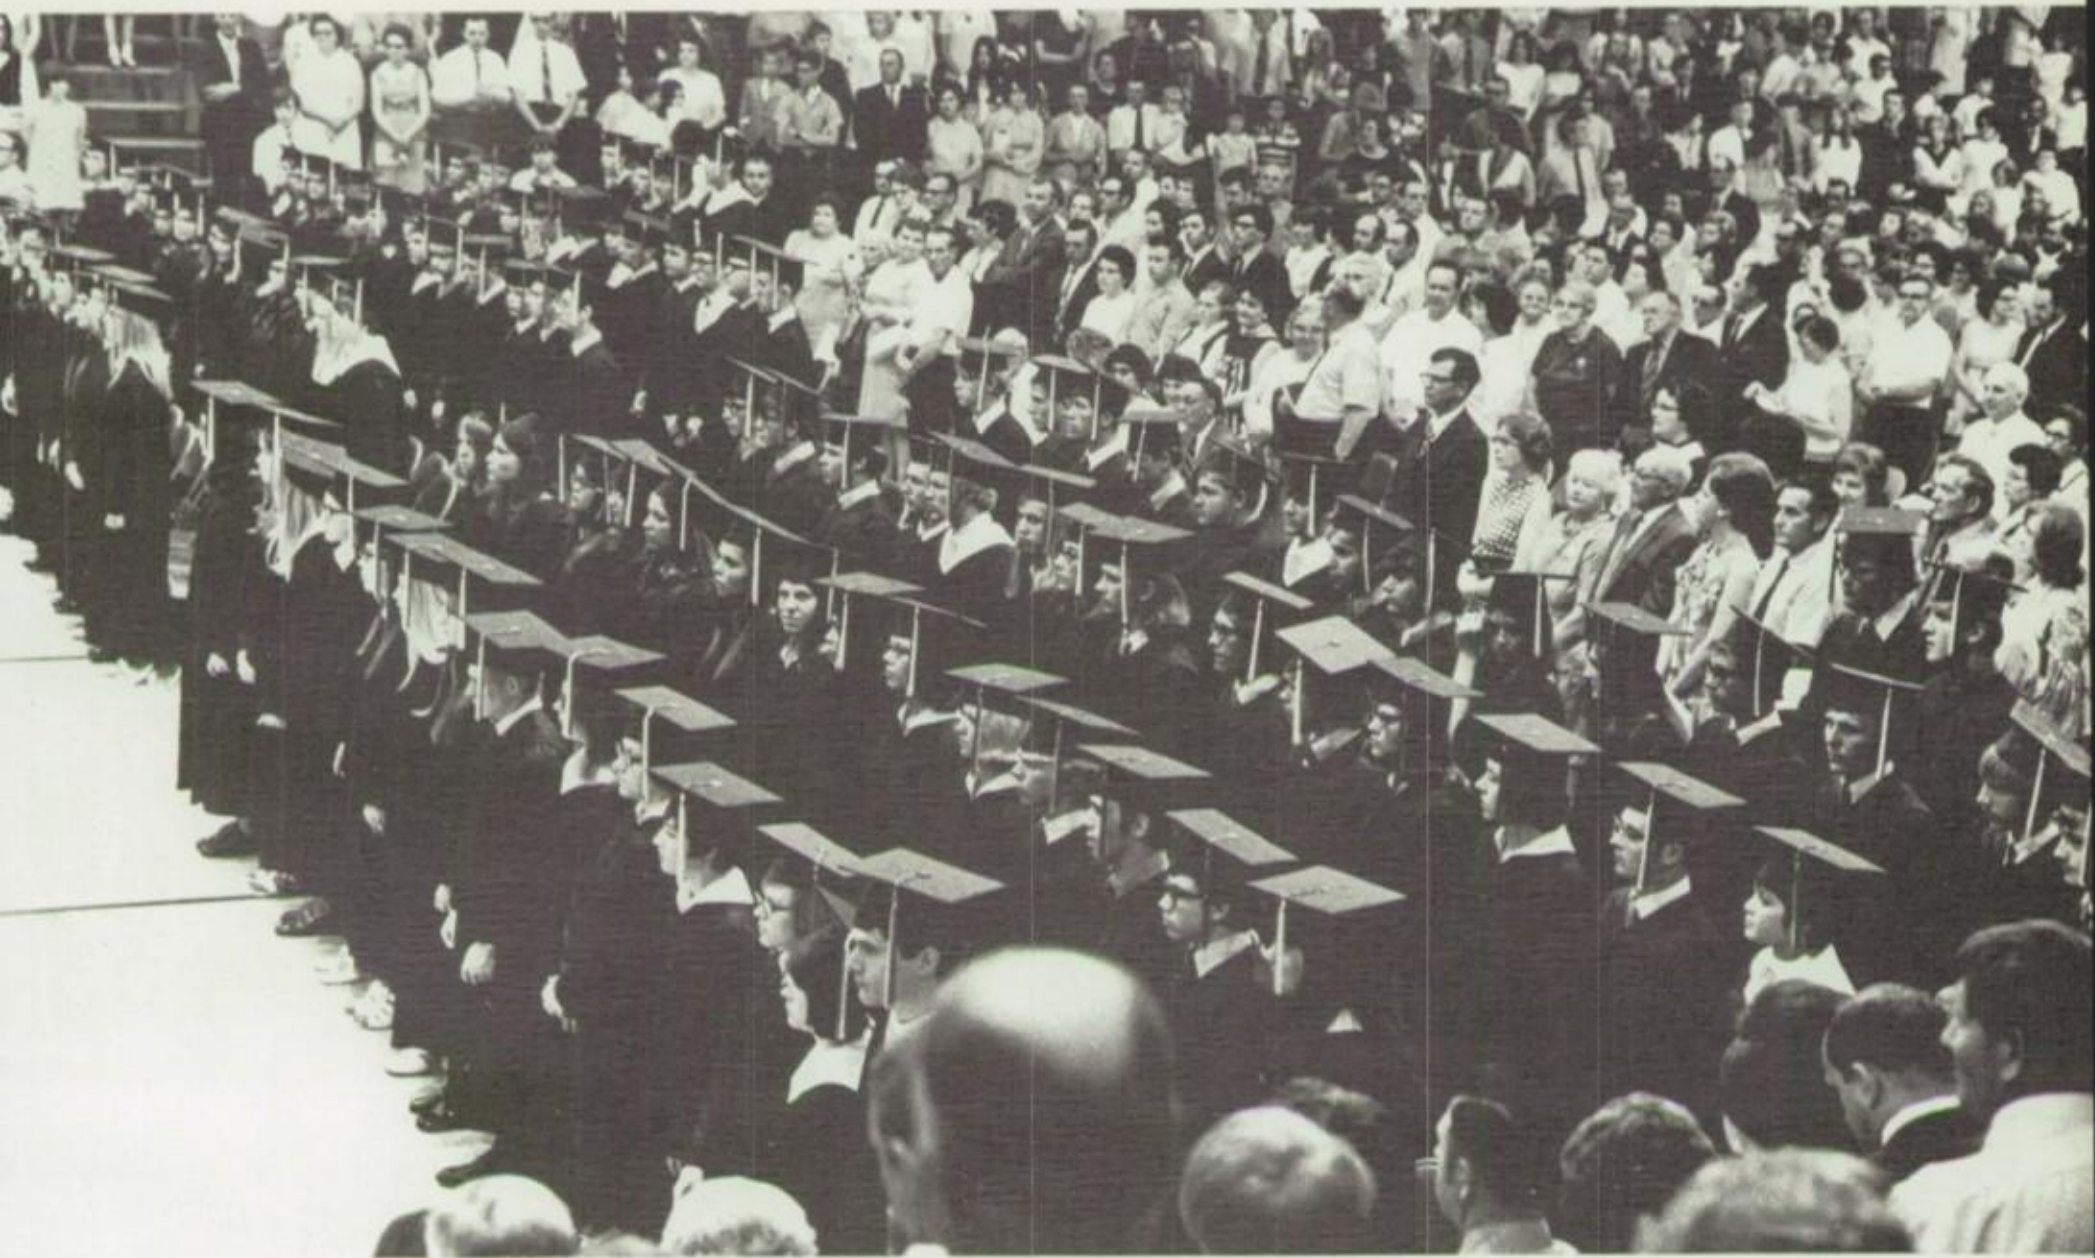

Commencement: A New Beginning

On June 4th, 1971, one hundred and twenty-six seniors of the class of '71 filed in to close the doors on their high school careers. "We've Only Just Begun" was the motto they carried out.

Speeches were given by valedictorian, Gloria Weiss, salutatorian, Brenda Fischer, and the class president Tony Persha.

The ceremony concluded with the reference that graduation marked only the beginning of a long desired journey through life.

The year began with friendships renewed

And ended with nostalgic "good-byes, "

And we left a bit more enlightened

And a bit more prepared,

Track

The track team, under the leadership of Coach Berry, had a very successful season. Larry Krause, Dave Pieper, and Jim Malesevich proved to be the outstanding runners for the team. Coach Berry considered the best meet of the season to be the State Track Meet where Krause proved his excellent running ability by placing first in the 880 yard run with the time of 1:58:0. Other runners competing at the state level were Jim Malesevich, Ralph Fechhelm, and Dave Pieper. Another fine meet took place at the Hartland Invitational where Mayville placed third. Some of the best performances of the season consisted of Krause in the half mile, Malesevich in the mile, and the mile relay team, made up of Pieper, Malesevich, Krause, and Ralph Fechhelm. Coach Berry commented, "Since there were so many freshmen and sophomores out this year, we should have a very good future in track."

Upcoming Sophomore, Jeff Geschke, placed first in this JV meet.

Golf Team Rallys at End of Season

The Mayville High School golf team experienced a disappointing season in 1971. The team finished in last place in the Scenic Moraine Conference with a 3-win, 11-loss mark. However, the team managed to gain strength at the end of the season. In Regional Tournament play, they captured second place and qualified for sectionals. Senior Jeff LaBomascus deserves special recognition as he was the leading golfer for Mayville.

Although there were few golf matches won, the team and coach put forth much effort.

Welak Goes to State

The tennis team had an outstanding season, finishing with an 11-2 win-loss record. The highlight of the season came when Coach Evans was able to send junior Rick Welak to the state tennis meet where he was successful in his first match. He was the first Mayville player to ever accomplish the feat of going to state.

Coach Evans commented on his 1971 tennis team: "We don't lose anybody by graduation. With the added experience gained by our very fine doubles players Mark Osborne and Steve Micklas, we expect to have one of the best teams in years."

When asked why he joined the tennis team, Dave Wiese replied, "I went out because I was such a superstar."

Cards Take Title in Summer League

Playing for the first time in summer, proved to be very successful for the Mayville Cardinals. They ended up with a 12 1/2-2 1/2 win-loss record, which gave them the Scenic Moraine Conference title.

Mayville made it to district tournament where they were beaten by Kewaskum by a score of 11-10. Outstanding players of the year were Dan Heim, first baseman, Curt Kuehl, pitcher, Jeff Stieve, third baseman, and Ter Grabow, catcher.

Under the coaching of Dennis Christian, the team put in a good performance for their first season in Scenic Moraine Conference play.

Terry Grabow sends one into left field.

FRONT ROW: Ted Bachhuber, Terry Schuster, Sherwin Fischer. SECOND ROW: Coach Rod Holt, Jeff Geschke, Eugene Krofta, Tom Kehrmeier, Mark Feucht, Larry Krause, Jim Malesevich, mgr. David Rindfleisch.

Harriers Have an Inconsistent Season

The Harriers, under the fine coaching of Rod Holt, placed fourth in the conference, winning five out of seven conference meets. The Harriers did a fine job at both the Campbellsport Invitational and Regionals, placing third at both of these meets. Holt's team also placed fourth at the Madison West Invitationals, and fifth at the Albany Relays and the Grafton Invitational.

The best meet in which the Harriers participated was the Madison West Invitational, where each member of the team ran up to his potential.

Co-captains for the team were Larry Krause and Mark Feucht. Jim Malesevich, Krause, and Feucht were runners who received awards. Mark Feucht is to be commended for making the All-Conference team.

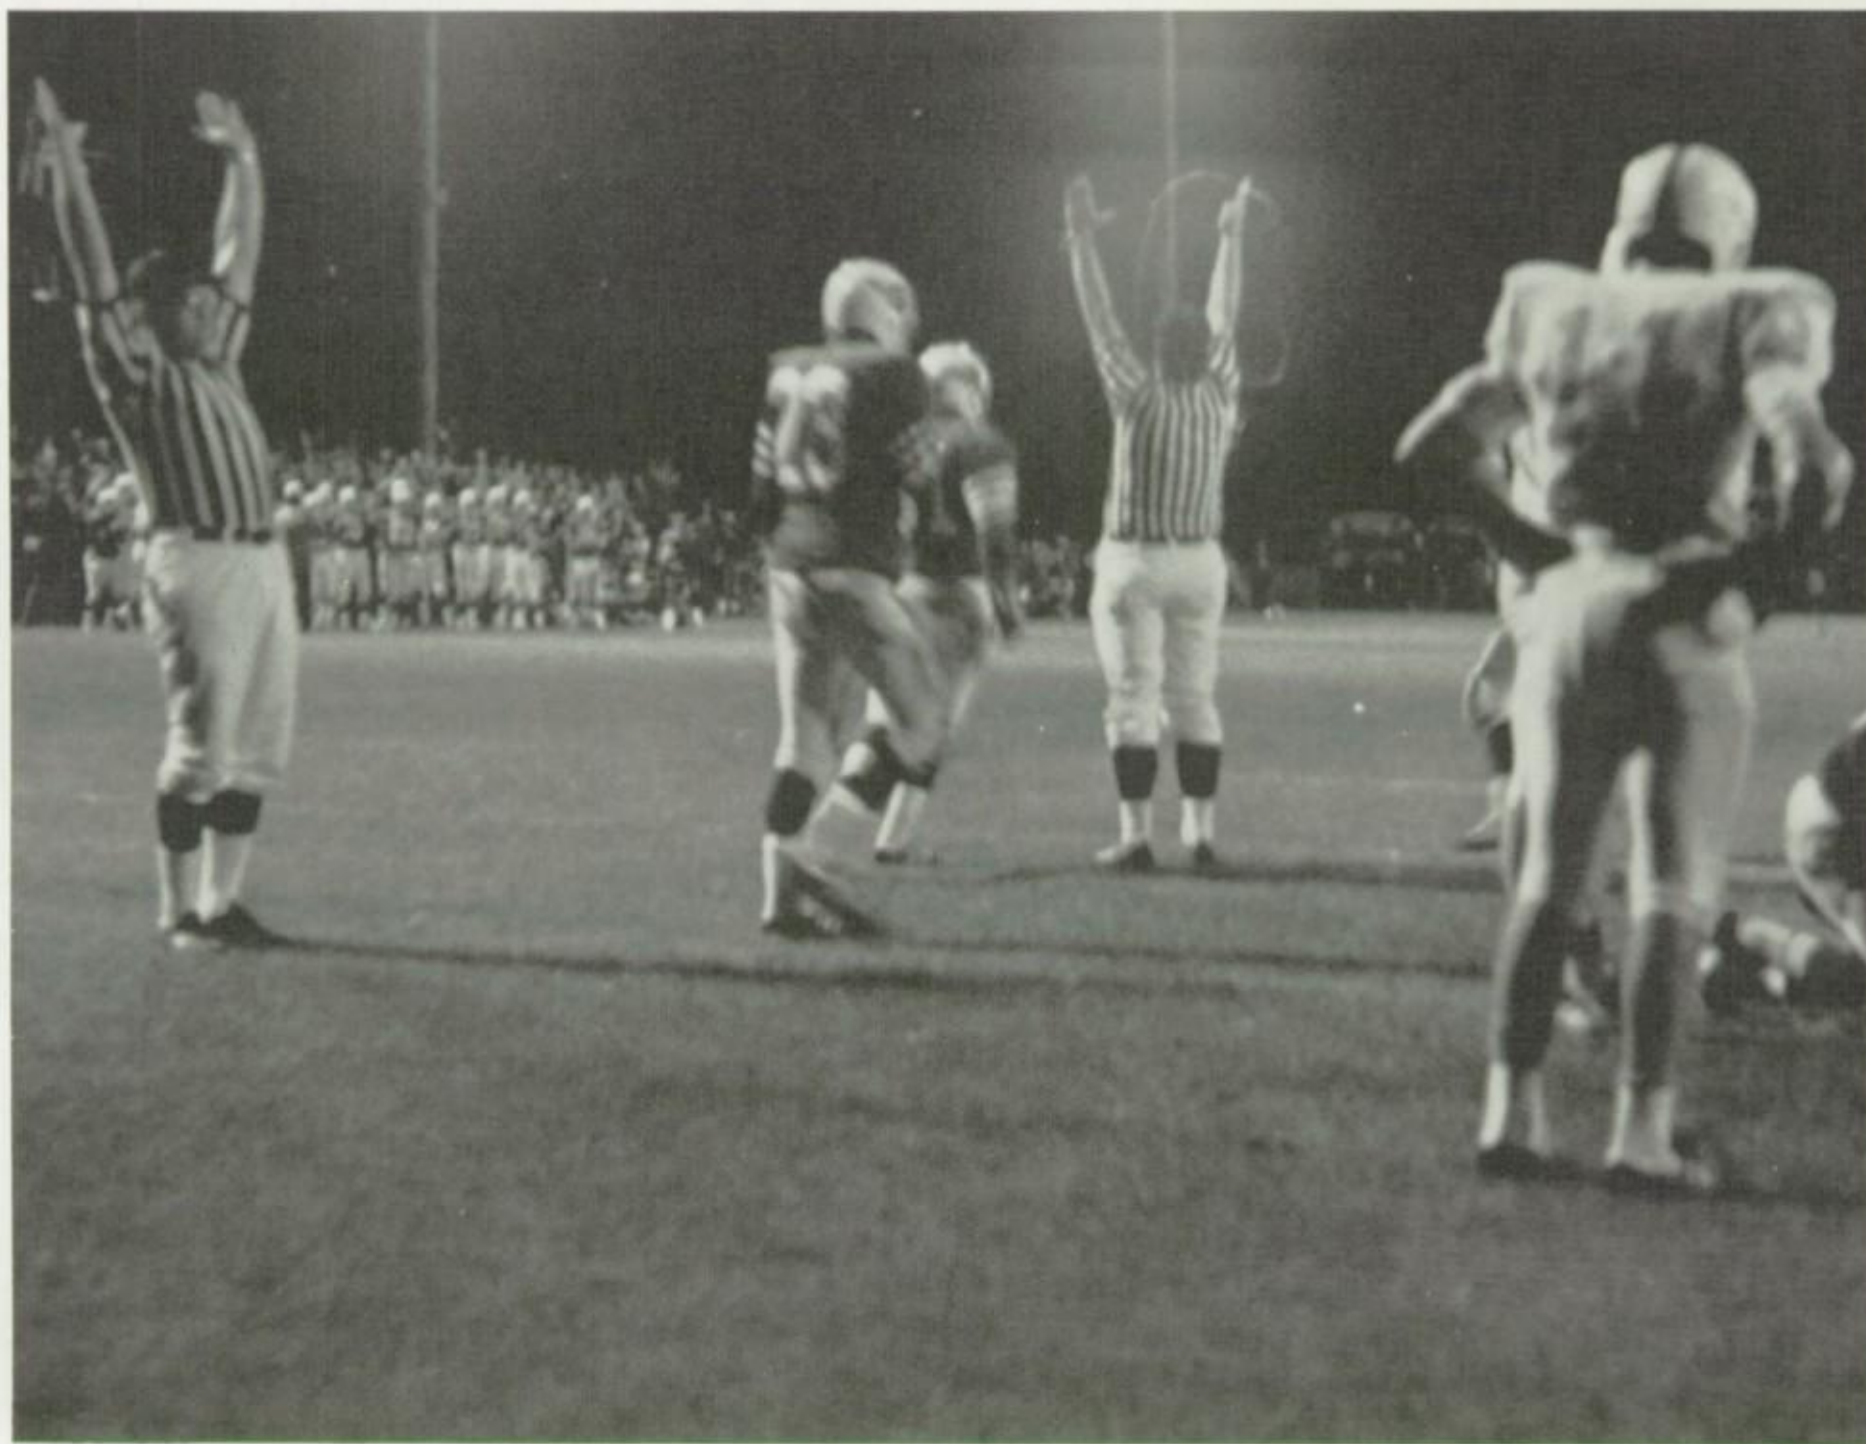

Krause made this statement on achieving success in Cross Country: "It's a sport in which you have to enjoy running in the race in order to run up to your full potential."

Feucht, in commenting on the outcome of the season, made this remark: "We had the potential, but we couldn't get everything together at one time."

Mayville funners on home course.

The Champions

The varsity football team, under the excellent coaching of Jack Omer, brought home its second Scenic Moraine Conference title in as many years. The competition was great, but the Cardinals proved their ability by winding up the season with a 5-1-1 conference record and an overall mark of 7-1-1. The toughest and most thrilling victory for Coach Omer and his team was the final game of the season played against the conference rival, Kewaskum.

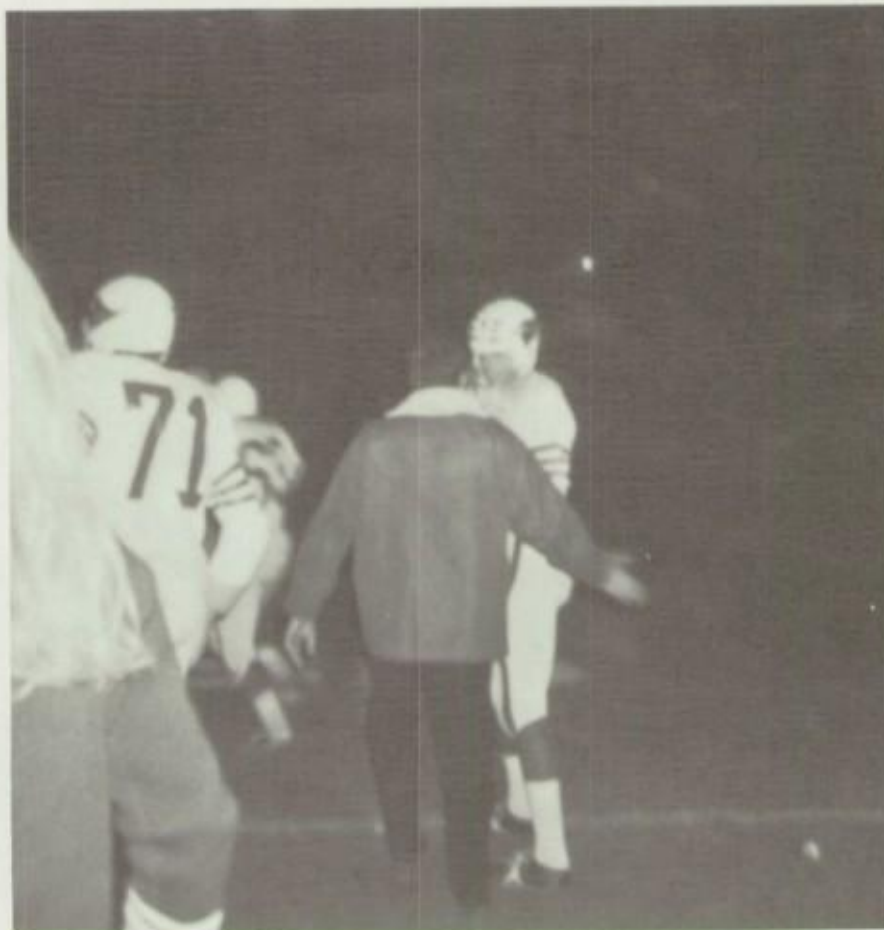

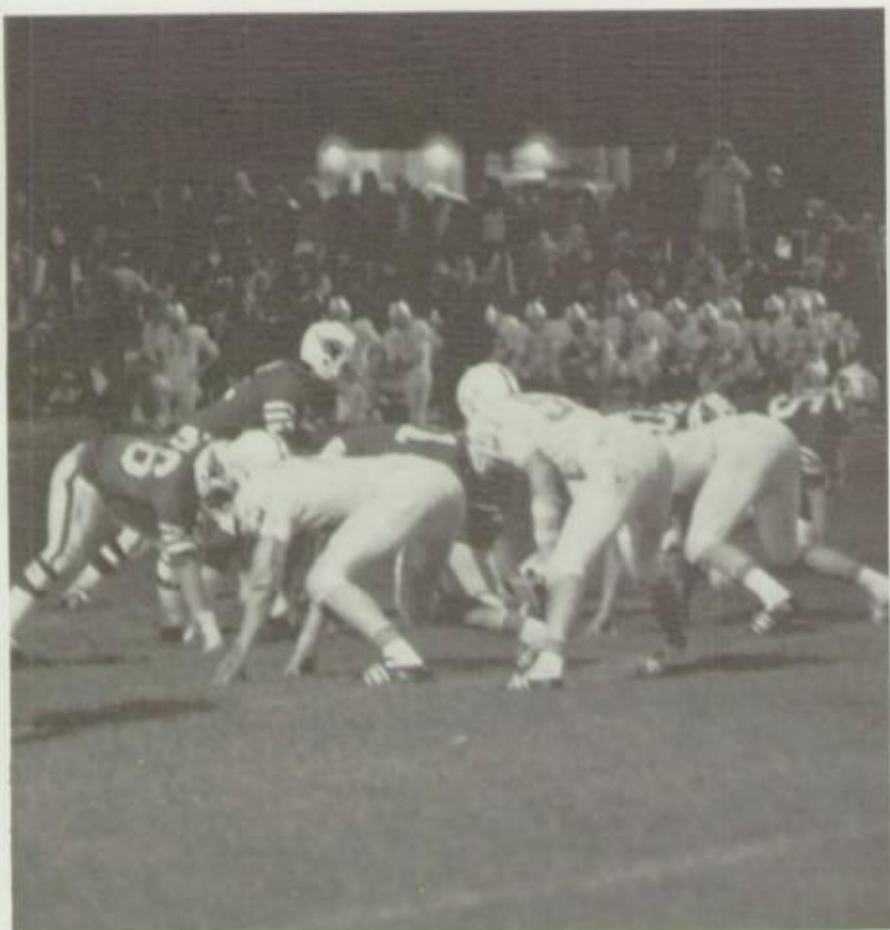

"Tonight is the night before a great game. Tomorrow night we play Kewaskum on their home field. If we lose, we lose everything. If we win, we will be champions. All we can see in our minds is Mr. Omer's face and the strain of a long season's ending in his eyes. If we win tomorrow, we will want to hug the heck out of him; we want to cry with him. We want like hell to win for him.

All through these two years playing for him, he has brought out the guts in us. He has lifted us above being satisfied with ourselves and has shown us how to be stronger than we are. He became us and made us better. He cared and cried for us. When we lost, he brought us out of the slump stronger.

He won't sleep much tonight. A lot of us aren't going to sleep much either. We can't let him down tomorrow night. More than for ourselves, we want and owe the victory to him . . .

Tonight is the night after a great victory! We are THE CHAMPIONS, shutting out Kewaskum 14-0. The glory of our victory goes to our champion - Jack Omer. For he has led us to one of the first truly great victories of our lives."

J.V. Learns From Losing Season

The Junior Varsity football team experienced a disappointing season, finishing with a 1-6-1 season record. Their best game was played against Kettle Moraine when the Cardinals defeated the Lasers 14-0. Despite the fact that the JV's won only one game, the team displayed fine effort and determination in the games they lost. The offense was led by running back Terry Moehr, and Will Trakel, Bruce Christian, Dan Luehring, and Don Bonack played key roles on defense. Coach Geoff Washa had this to say about his JV team: "They were a fine group to work with. They never complained; they never got down on themselves. It's too bad we couldn't put it all together and win a few more games. Hopefully they have learned the fundamentals of football which will help the Varsity team next year."

Terry Moehr throws "three-back" pass.

Frosh players dive for fumbled ball.

Frosh Show Ability

The 2-4 win-loss record of the freshmen football team is not an accurate reflection of the ability displayed by the players on the team. Some of the outstanding players were Ken Spars, Jerry Rosin, and Wayne Kreklow. Terry Miller and Joe Hesprich were also excellent running backs.

The frosh's best game came against an undefeated Germantown team. Mayville held the lead throughout the game only to be defeated by one touchdown in the final minutes of the game. It is to be noted that all the games lost were lost by a mere touchdown.

Coach Richard Klopfer had this comment about this team: "I feel it's going to be a real strong team in the future. Many of them lacked experience because they came from parochial schools. The team always came back; they never quit. I feel a lot of the games we lost were due to inexperience. We beat ourselves rather than the other team. We had a lot of depth on the team."

Cards Take Second Conference Title

Mayville Coach Bob Wojtuski has succeeded in leading the varsity team to its second consecutive Scenic Moraine title. All twelve players contributed greatly to the success of the team.

The high point of the season came after Mayville loss to Grafton, when the players started concentrating on their weaknesses and improving their games. Jeff Stieve far surpassed Coach Wojtuski's expectations, as he was very aggressive on the boards, leading the conference in rebounds. Forward Dan Heim, an extremely consistent player, leads the conference in scoring. Todd Zangl surpassed all school records in assists and leads the conference in this area. Rick Welak also contributed by taking the scoring pressure off Heim and Stieve and having a fine season of his own.

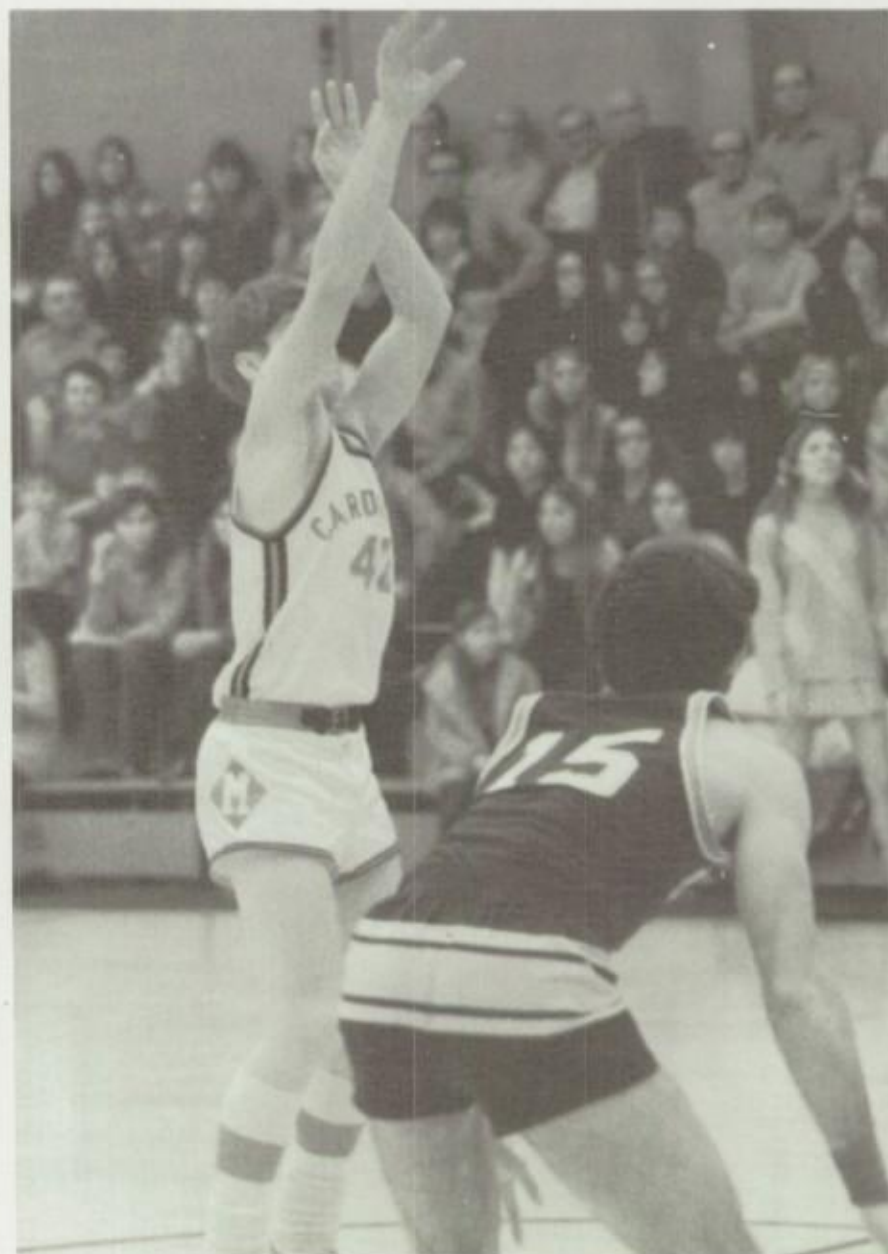

The junior members made a fine contribution to the team. They proved to be a very reliable secondary.

J.V. and Frosh Have Fine Seasons

Mayville's Junior Varsity basketball squad finished the season with a conference record of nine wins, five losses and had a twelve win, six loss record over all. Most of the games lost by the JV were lost only by a few points. Terry Moehr led the team in rebounding and Tom Fischer was the leading scorer. The team displayed much effort and ability, and under the leadership of Coach Bob Blair gained strength and maturity as the season progressed. One player commented, "We beat everyone in the conference at least once."

The Freshmen basketball team, under the excellent coaching of Bob Berry, turned out an enviable 10-2 record, to wrap up the conference title. Wayne

Kreklow was the dominant figure for the team, hitting 56% of his shots from the floor and 69% of his free shots. He also dominated the boards, grabbing 147 rebounds for the season. Joe Hesprich also starred for the team as he led in assists with 47. On the whole, the Mayville Frosh scored 692 points to their opponents 538.

Coach Berry made this comment about his fine Freshmen team: "In general we can be proud of our season although we can't be happy with our last two games. If this team will continue to work it could be one of the best teams Mayville has ever had."

M.H.S. Wrestlers Display Talent, Lack Experience

Although the Mayville High School wrestlers finished last in the conference with a 0-10 record, they had many fine performances. At the Horicon Invitational Meet, the Cardinals placed 3rd out of the eight schols competing, and it should be noted that in five meets the Cards lost by only one match. Several outstanding individuals led the Mayville team throughout the season. They were Dan Leal, Jose Surita, Jerome Vorlob, and Al Christian. Al also went on to State Sectionals at DeForest. Head Coach Washa, along with Assistant Coach Klopfer, helped the team to improve and mature as they worked hard for every meet. Coach Washa summed up the poor season this way, "As a team sport there was not enough improvement in enough weight classes. Again, the wrestling team was plagued by inexperience in too many weights. I feel that we will see improvement in the coming season."

Rocket Staff

Under the supervision of Mary Mueller, this year's editor, the section editors had a chance to advance their knowledge by attending a learning session at Whitewater University. The editors and staff applied this knowledge to this year's Rocket.

After many hours of picture taking, layout drawing, and copy writing things began to take shape and final copies were made and sent to the publisher.

Chatter Publishes More News Less Often

Mr. Prochnow criticizes his journalists.

This year's Cardinal Chatter Staff, under the supervision of Mr. Prochnow, strived to publish an outstanding Cardinal Chatter. The staff had to overcome the problem of being first year journalism students. Guided by a few advanced journalists, the Cardinal Chatter staff matured and put out a newspaper that did a fine job of informing the community of school activities.

National Honor Society

National Honor Society involves academic excellence and leadership qualities which are important prerequisites for membership in this elite group of students. Recognition of achievement is important to many people, and N.H.S. provides this recognition.

While advice from adults is often necessary, it is important that students make decisions that influence the running of the school which they attend. Student Council provides a platform for the airing of student opinions and its decisions reflect the will of the whole student body.

F.H.A. Builds for the Future

Cheryl Schroeder tests Chinese egg roles.

In the modern world a woman must be prepared to face the problems of daily life. Membership in F.H.A. helps build a foundation of common sense and knowledge that leads to an understanding of living. Activities such as selling cookbooks and visiting Folk Fair also help make the year an enjoyable one.

F.F.A. Guides Rural Youths

Our rural heritage is rapidly disappearing from the American scene. But F.F.A. tries to build interest in young people who lean towards agriculture as their life's work. It provides guidance while serving as a source of information and new techniques.

A.F.S. Aids World Unity

Allison talks with an A.F.S. student.

In order to have peace in the world we must be able to communicate with each other. Communication involves many things, but first we must get to know each other. Through A.F.S. supported programs, this opportunity is offered to thousands of youth throughout the world and peace is a little closer now than it was before.

Intramurals Reflect Talent

While interschoolastic competition receives most of the publicity, Intramurals gives everyone a chance for a piece of the action. The competition is keen and involves many skilled athletes who enjoy sports but regard it as fun rather than work.

Lettermen Recognize Athletic Accomplishments

Mr. and Mrs. Griepentrog and Mrs. and Mrs. Welsch received a plaque from the Lettermen in memory of Rodeny Griepentrog and David Welsch.

To many people, sports is an important part of life. Lettermen's club is the meeting place for those who not only value sports, but excel in them. You must have been awarded a letter in order to belong to the club. Each sport has various requirements for team members desiring a letter. It is knowing you have met these requirements that makes being a member of the club an honor.

HONORS CHOIR

Chorus

The year began in confusion for Mr. Cook as he tried to familiarize himself with members of the chorus who had been selected by Mr. Christensen last year. Once the year got under way the chorus began to take shape. The member's love of music and desire to perform was evident during the Christmas concert. The operetta and graduation are also high points of the yearly activities.

An honors choir was selected from the chorus this year. These students are considered to be some of the best singers in the chorus. Similar choirs were organized throughout the conference and a combination of all these choirs performed at Hartland Arrowhead. Eight members of the choir also performed at Whitewater. Student participation in this choir is voluntary.

Instrumental music has always been a proud part of Mayville's academic life. This year's band follows in the tradition of fine music established in previous years. A wide variety of music is performed publicly through out the year, as well as competition in the state music contest.

Pep Band and Pops Choir

This year Mr. Reehl organized the Pep Band in a new way. It was run strictly on a voluntary basis. The members were received by a very enthusiastic crowd. It was a new experiment which seemed to be enjoyed by all. Newly organized in the vocal music department is the Pops Choir.

TWIRLERS: Deb Justman, Joann Metke, Sue Collins.

Drill Squad and Twirlers Add Spark

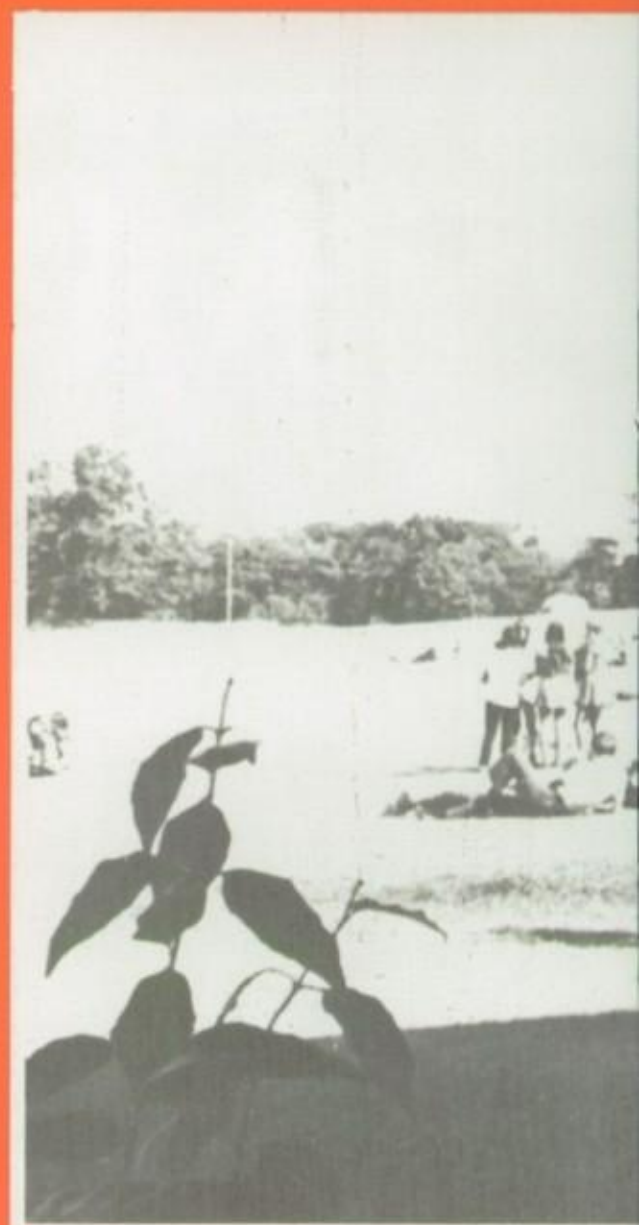

Color at athletic events is provided by Twirlers and Drill Squad. Both groups draw on the band for membership and perform before games and at half-time. Such things as presenting the flag and marching with the band are part of their duties.

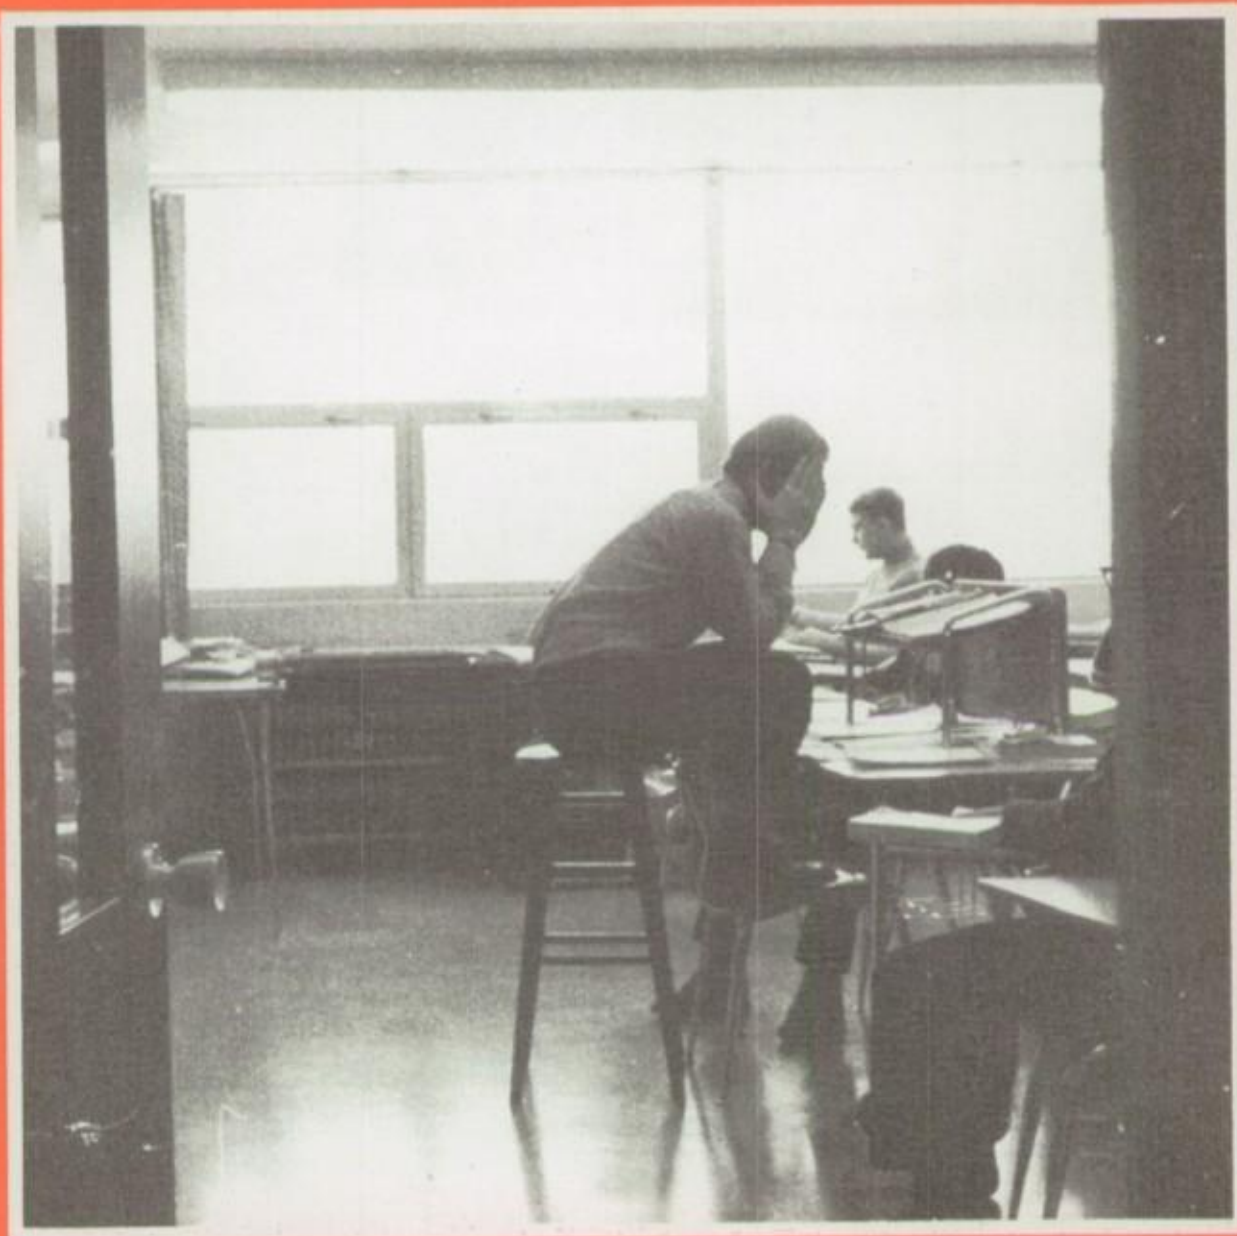

Drill Squad usually takes a quick practice before games.

DRILL SQUAD: Peg Vorlob, Petra Schmidt, Deb Streblow, Laurie Luehring.

ACADEMICS

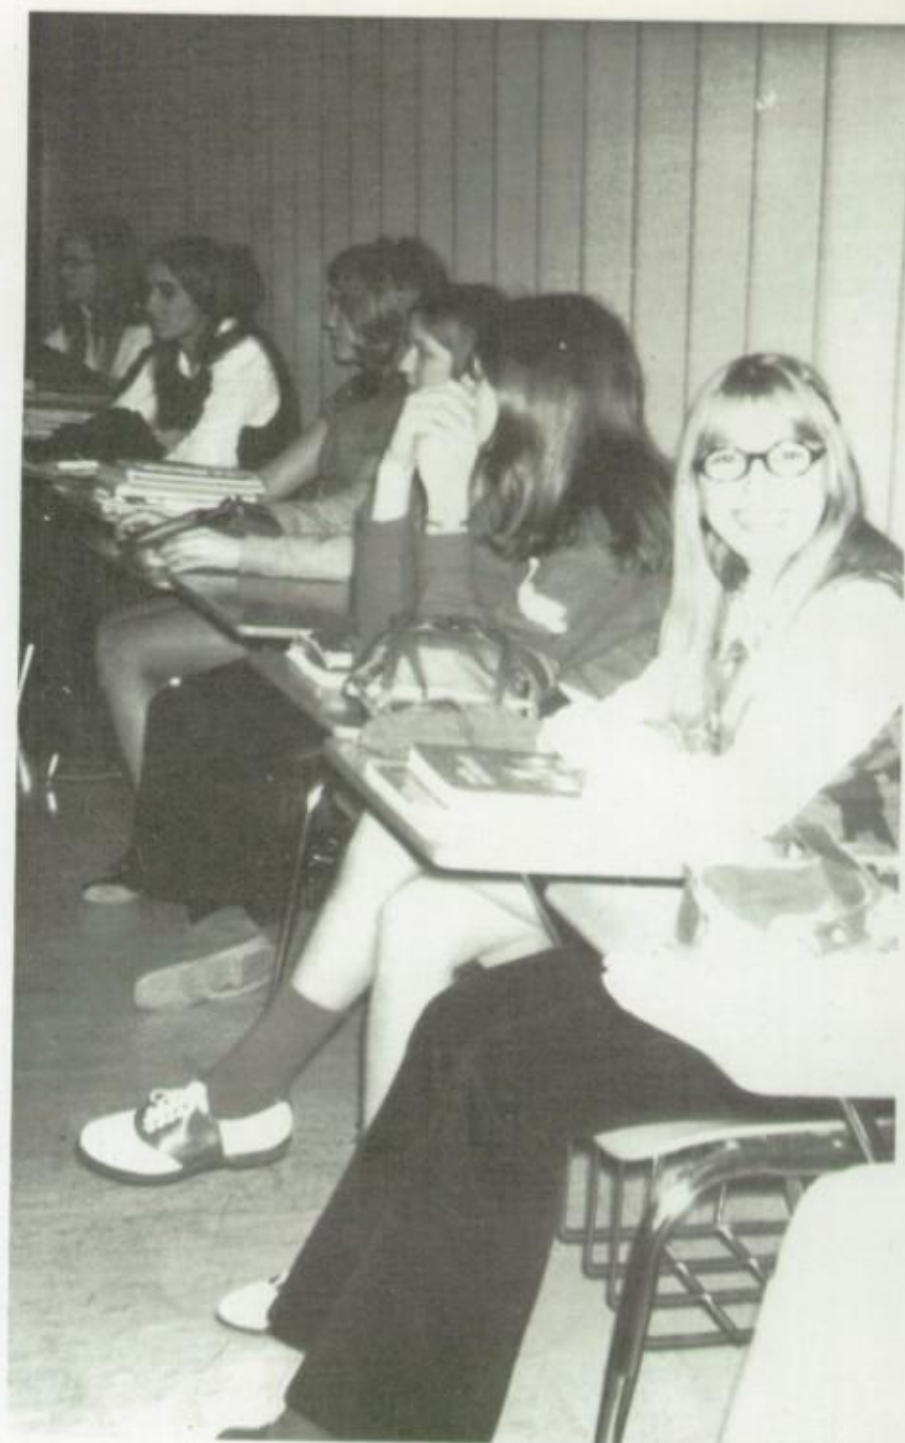

DR. MICHAEL BACHHUBER, school board president and ROBERT DEETZ, superintendent of Mayville Public schools.

Board of Education

The school board represents the community in making decisions on things such as the school budget, sports activities, and open campus. They work closely with the administration. Students got a closer look at the school board this year when many of them were required to attend a meeting. One of the problems that came before the school board this year was teacher contracts. Another problem presented to the Board was when and if the pledge should be said during morning announcements. It was decided that the pledge should be said only on Mondays and holidays.

Sociology students were required to attend a school board meeting and a city council meeting this year.

BOARD OF EDUCATION: Donald Pugh, Jack Hurlbert, Michael Bachhuber, M.D., Max Rentsch, Mary Schellpfeffer, Donna Luehring, Barbara Popovich.

Administration

ASSISTANT PRINCIPAL: Harold Hauffe

BUSINESS MANAGER: Robert Drew

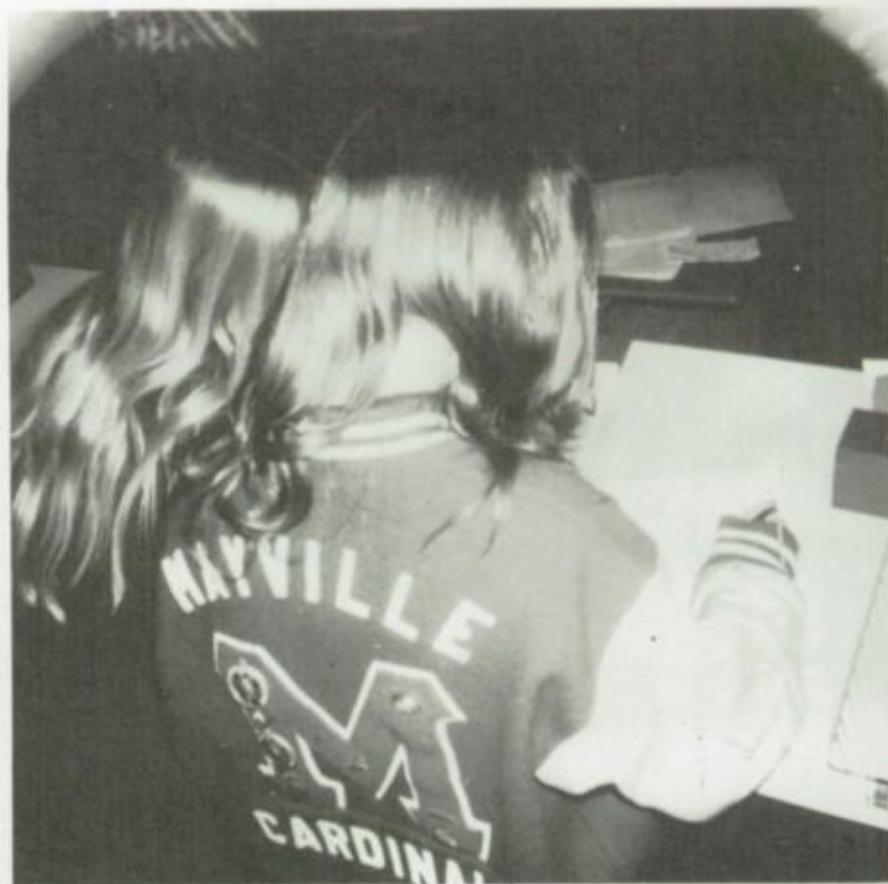

HIGH SCHOOL PRINCIPAL: James Adams

Mr. Adams is well liked by most of the students. He is responsible for any changes made in the curriculum or the operation of the high school. He is also in charge of classroom supervision and making out the master schedule. Mr. Adams takes quite an active interest in student activities such as music and other extra-curricular activities. He feels he can really get to know the kids this way. Mr. Hauffe is the assistant principal, although he is mostly thought of as the driver's education instructor and truant officer. Mr. Hauffe is kept busy each semester with students wishing to change their schedules.

INSTRUCTIONAL SECRETARIES: Claudette Gassner and Irene Fuller.

Do not sign out without permission from Mr. Hauffe.

Office Staff

Mrs. Stommel and Mrs. Fuller are the instructional secretaries. They type and mimeograph tests and information sheets for any member of the faculty. They also run off scouting reports for the coaches. Mrs. Anding is the principal's secretary. Among her many duties are selling lunch tickets and reading special announcements.

OFFICE SECRETARIES: Delores Lhor, Ruth Haldeman, Betty Anding.

Work Studies Program Has Begun

Mrs. Gray is the special education teacher at Mayville. She teaches science, English, social studies, and math. A work-study program has been started by her for students in their junior and senior years. In this program, her students take the active courses and any other academic course they want in the morning. During the afternoon, Mrs. Gray has arranged for her students to work in various places in the community during their senior year. In this program the student gets to handle responsibility and establishes some self-confidence. Mrs. Gray is also interested in starting a Big Brother program in the near future.

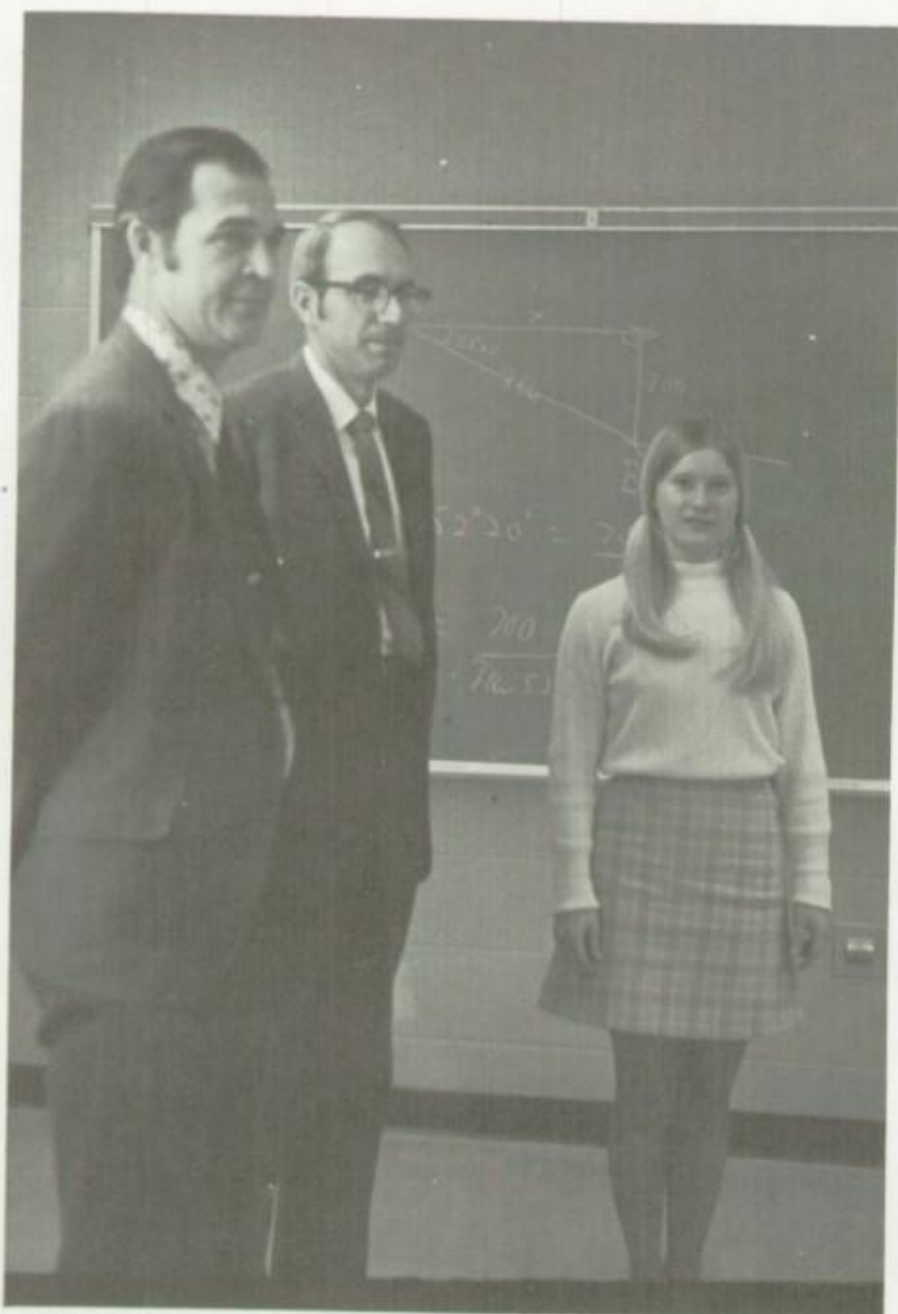

Students involved in the new program gain self-confidence.

SCIENCE: Russell Basch, Rodney Holt

Science experiments are always more interesting when you do them yourself.

SCIENCE: RICHARD KLOPPER

Math and Science

The math department offered new, one semester courses this year. Slide rules, analytical geometry, and probability are now included in the curriculum. These courses deal with the more specialized areas of math. Mr. Rindfliesch teaches analytical geometry and probabiltiy. He feels that as a group, today's students are as interested in academics as students of the past. Mr. Sanford teaches slide rule. Miss Lindberg teaches consumer math. This year Mr. Basch received his second Master of Science degree having completed his courses in botany and zoology last summer. One of the teachers you commonly see in the lower corridors of the school or running around during cross country season is Mr. Holt. He is the biology and advanced biology Mayo Clinic this year. In Mr. Holt's opinion the trip was wrothwhile but could have been more so. Mr. Klopfer teaches general science which deals with the structure of matter. He is the freshman football coach and assistant wrestling coach.

Mr. Whitford and Mrs. Pasbrig Look Back

READING IMPROVEMENT: Mildred Pasbrig

Mr. Whitford's physics class surprised him with a Christmas tree this year.

Mrs. Pasbrig, who will be retiring at the end of the year, has taught in the Mayville School System for twelve years. She says that teaching is like any other job, "there are good and bad days." The students all agree that the reading program, under her guidance, has helped them learn to build their reading speed and increase their understanding of what they read. Looking back over her teaching was when she came up to the well equipped reading laboratory of Mayville High School, but she added that the minor, everyday happenings in the classroom were also very fulfilling to her.

Mr. Whitford will also be retiring, and along with Mrs. Pasbrig he will be missed. He has given forty three years of service to the Mayville School System. He has been a continual asset to the science department - as those who have had him as a teacher or comrade well know. His basic faith in mankind makes him feel that although students have changed over the years they have not changed for the worse. During his career he has always tried to keep in close contact with the students. For some thirty years he also coached the baseball team. His experiences with his students have deepened his love of teaching.

ENGLISH: James Prochow, John Bullis.

English and Library

Mr. Prochow's students enjoy his classes because there is a more relaxed atmosphere. Mr. Bullis directed "The Crucible" and "Carrousel." Mrs. Berry has traveled in Columbia, South America, Libya, North Africa, Venuzuala, Peru, and parts o' Europe, which gives her a definite advantage in teaching literature courses, because she has seen how others live.

ENGLISH: Kathy Wolff, Jacqueline Berry, Zorka Falk.

SOCIAL STUDIES: Bill Preston, Robert Berry, Goeff Washa, Jack Omer.

Mr. Preston was chairman of the United Fund Drive last fall. Beside his social study classes, he teaches group dynamics. Mr. Berry applied the new concept of two reading levels in the required history classes. The students themselves decide at which level they feel most confident reading. Mr. Washa teaches freshman history and coaches the Mayville High wrestling team. Mr. Omer coached the conference champion football team. He also teaches sophomore history and Africa-South America. Mrs. Gloede teaches steno and bookkeeping courses. She feels that the students who apply themselves are prepared for beginning positions in the business world. Mrs. Steinbach engages in a very unique hobby. She collects unusual, miniature typewriters! A fitting hobby for a typing teacher.

Manual Arts

Woods 1 and 2 is a teacher directed class in which the students work together on their first project. They choose a second project to make on their own. In Wood Technology students choose their projects and make things such as gun racks, cribbage boards, and chairs. Mayville High School is one of the few schools in the state to offer the course, World of Construction. The class teaches all phases of building construction, from selecting a site to the finished product.

Home Ec.

Numerous changes have been made in the guidance counseling department this year. The first change was to set up an area away from the principals office. More information was made available to the students. Mr. Johnson acquired new equipment including a college veiwdeck and an occupational filing cabinet. In addition to being guidance counselors Mr. Johnson teaches Sociology, Mr. Adams teaches Geography and Mr. Adams and Mr. Evans teach Group Dynamics. Miss Nordlund felt tailoring, which was an experiment this year, was a success. She attributed this to the seniors unusual desire and skill in sewing.

Phy. Ed and Art

The art department has a new addition this year, Miss Sharon Miller who teaches along with Mr. Bruce Danielson. Courses available are art, crafts, painting and drawing, ceramics and sculpture. Phy. Ed. students have more freedom this year than in the past. Common areas involved are volleyball, basketball, track, gymnastics. Girls participate in dance and badminton, while the boys are more likely to be playing battleball or football.

FOREIGN LANGUAGE: Betsy Holland

Mrs. Holland's foreign language department has been changed this year with the addition of Spanish. She is now teaching first year "estudiantes" along with all first, third, and fourth year French students. Mrs. Holland's second year French students are being taught this year by Miss Mack, who also teaches a Latin correspondence course. This will most likely be Mr. Cook's most challenging year at Mayville High. He directs the Mixed Chorus, all glee clubs, madrigals, and the newly formed Pop's Choir. He is also responsible for the high school musical, "Carousel." Mr. Reehl keeps himself busy by keeping his band members busy. Along with a daily band rehearsal, individual lessons and beginning, junior, and dance bands make up his day. The bands take on many activities each year, including concerts, parades, participation in contests, and playing for athletic events.

Cooks and Janitors

The cooks at Mayville High School are under the direction of Mrs. Steinhorst. Their responsibilities include cooking for the surrounding schools: Leroy, Kekoskee, South View, Mayville Grade School, and St. Johns. They do all the menu planning according to government regulations and cook all the food themselves except the buns. And what do the students think of the food? As one senior veteran put in, "Its rib-sticking!"

Where will you belong next year?

And what will you be doing?

Maybe you will be back in school . . .

trying to get out.

Or maybe you will be out of school . . .

trying to fit in someplace new.
